APPLE CIDER VINEGAR

Apple cider vinegar has been used as a remedy for many years. This natural health tonic promotes the metabolism of sugars and fats, as well as aids the body in the cleansing of toxins.

Directions: For adults, take three (3) tablets daily, preferably with a meal. It is important to check with your health care providers before beginning any nutrition or exercise program.

No Artificial Color, Flavor or Sweetener, No Preservatives, No Sugar, No Milk, No Lactose, No Soy, No Gluten, No Wheat, No Yeast, No Fish, Sodium Free.

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

KEEP OUT OF REACH OF CHILDREN

Store at room temperature.

Tamper Evident Feature: Do not use if seal under cap is torn, broken or missing.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

This product has been manufactured in an FDA registered facility.

MORINGA

Moringa oleifera capsules benefit us by providing a simple, easily digestible powerhouse of nutrition. Moringa grows in tropical parts of the world, and for the rest of the population who do not have ready access to fresh Moringa leaves, capsules provide an ideal solution. Moringa capsules contain powder from Moringa leaves, which have been dried at low temperatures to preserve the abundant nutrients – minerals, antioxidants, and amino acids.

Directions: For adults, take one (1) tablet four times daily, preferably with meals.

No Artificial Flavor or Sweetener, No Sugar, No Starch, No Milk, No Lactose, No Soy, No Gluten, No Wheat, No Yeast, No Fish.

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur during pregnancy and not to be given to children under 3 years old.

ODORLESS GARLIC & PARSLEY SEED OIL

- Tasteless and Odorless

Garlic and its key constituents have been the subject of hundreds of scientific studies. Garlic has been used around the world for thousands of years for its nutritional value. Parsley is a favorite herb for salads and cooking. It is also refreshing and soothing and contains easily assimilated essential minerals. Source Naturals Garlic & Parsley oil contains true oils of garlic and parsley seed, extracted from whole fresh garlic bulb and parsley seed, and suspended in pure soybean oil. It is a convenient way to receive the benefits of garlic and parsley seed in concentrated form, without the taste and odor.

HAIR, SKIN & NAILS

- Helps support healthy hair, skin, and nails
- Supports collagen synthesis with Vitamin C
- No artificial flavors or colors

SOY ISOFLAVONE

Soy is a rich, plant-based source of phytoestrogens, which are naturally occurring compounds that help with hot flashes in menopausal women.

Made from non-GMO certified soybeans, soy isoflavones provide holistic supplementation for a woman's midlife years. Our non-GMO soy isoflavones include Daidzein, Genistein, and other soy isoflavones. Adults can take one (1) capsule three times daily, preferably with meals.

No Artificial Color, Flavor or Sweetener, No Preservatives, No Sugar, No Starch, No Milk, No Lactose, No Gluten, No Wheat, No Yeast, No Fish, Sodium Free.

TRIPLE OMEGA 3-6-9

Super Omega 3-6-9 is a blend of Fish, Borage and Flax Seed Oils. This combination of well-known nutritional oils has a unique balance of Omega-3 and Omega-6 Essential Fatty Acids plus Omega-9, a non-essential, but useful fatty acid. The Omega-3's, Alpha Linolenic Acid, EPA and DHA, and the Omega-6, GLA, are necessary for the maintenance of healthy skin, normal immune system balance, and proper nervous system function.

Supportive but not conclusive research shows that consumption of EPA and DHA Omega-3 fatty acids may reduce the risk of coronary heart disease.

Natural color variation may occur in this product.

Directions: For adults, take one (1) capsule two or three times daily, preferably with meals.

No Artificial Color, Flavor or Sweetener, No Preservatives, No Sugar, No Starch, No Milk, No Lactose, No Gluten, No Wheat, No Yeast, No Fish, Sodium Free.

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur during pregnancy and not to be given to children under 3 years old.

VITAMIN D

Vitamin D contains 1,000 I.U. of natural vitamin D3 per tablet.

Vitamin D, also known as the “sunshine vitamin” is an essential vitamin that plays many important roles in the proper functioning of the body. Though classified as a vitamin, vitamin D is actually a key regulatory hormone for calcium and bone metabolism. Adequate vitamin D status is essential for ensuring normal calcium absorption and maintenance of healthy plasma calcium levels. Besides bone support, vitamin D has many other roles in the body, including modulation of cell growth, neuromuscular and immune function. Numerous scientists now feel that supplementation with vitamin D at levels greater than previously thought necessary is critical to helping maintain healthy bone remodeling & healthy vitamin D plasma levels.

BIOTIN 10,000 MCG

- Supports Amino Acid Metabolism
- Promotes Normal Immune Function

Biotin is a water-soluble vitamin necessary for normal growth and body function. Biotin functions as a key regulatory element in gluconeogenesis, fatty acid synthesis, and in the metabolism of some amino acids. Alongside its role in energy production, Biotin enhances the synthesis of certain proteins. In addition, Biotin promotes healthy immune system function and plays a critical role in skin health.

Natural color variation may occur in this product.

CO Q-10

Coenzyme Q10 (CoQ10) is a fat-soluble compound found in most human cells that is needed to assist in a number of important reactions in the body. CoQ10 plays a vital role in cellular energy production, generating energy in the cell's powerhouses called mitochondria. The highest concentrations of cell mitochondria are found in the hardest working cells in the body, such as the heart, making CoQ10 an important nutrient for heart function.

STATIN USERS: Statin drugs can reduce CoQ10 levels in the body. Nature Therapy CoQ10 can help replenish this important nutrient.

Nature Therapy CoQ10 100 mg helps support CoQ10 levels in the body, and is naturally orange in color, made with no added colors.
